

Dear valued partner,

As a result of a thorough annual review, Blue Vision® (Global Plan, Express Plan, SME Plan and Association Program) will be subject to a rate adjustment for the Dental Care and Drug benefits effective **September 1, 2024**. This change reflects rising health care costs, claims experience and inflation. Please note that there will be no rate change to in-force Tangible policies.

Please see the table below for the impacted benefits:

BLUE VISION	
Global Plan, Express Plan, SME Plan and Association Program	
Rate Adjustment (Applicable to in-force policies)	
Drug Benefit	Dental Care Benefit
5%	6%

This change will be reflected on the client's policy renewal date.
